What's RIT's culture like?

I visited RIT over the summer and loved the place (I don't mind snow, so that won't be a problem) but I was wondering what the school culture is like. What do most students wear? how do they spend their free time? what's your favorite aspect of the school?

Edit: Is the culture at all like RPI? (I visited there and hated it)

Edit2: I really enjoyed talking to you all! sorry for my fixation on sweatpants ;)

I really think I have a better picture of who a RIT student is, and I really think I would fit well as a tiger!

What should I do if I have extra meal exchanges the day before they reset so I don't waste money? Any tips?

(I have 7 meals left and 4 exchanges left as of now...)
